If your article have been accepted in IEEE = the conference fee+publication fee= 750.000 + 1000000=1750000 (if you are not student and you are not IEEE member)
If your article have been accepted in AP = the conference fee+publication fee= 750.000 + 1500000=2250000

Dear **ICVEE Committee,**

Fine, thank you for the explanation.
I have made payment for the conference fee and publication fee (Rp. 1,750,003). Proof of payment is attached. However, because the video file for the presentation hasn't finished production, I can't complete the registration on the google form. I will register on google form as soon as possible.

Best regards,
